SHIP CANAL TO RICHMOND What this expense might be for a Richmond-West Point canal is prob-**WOULD COST \$30,000,000**

States Engineer in Letter on

PROPOSITION TOO EXPENSIVE

Thirty-Foot Channel Could Be Built, States Trimble, but It Is mend Such Construction."

Roswell D. Trimble, of R. D. Trimle & Co., consulting engineers, yesterday wrote The Times-Dispatch commending the work of Mr. Clarke,

have heretofore seen published on the subject. It is to be regretted, how- 6 RUSSIAN COMMUNISTS ever, that further data on the subtion, cost of operation and mainten ance and economic value of the canal and ship basin could not be given realize that any reliable esti mates would cost considerable mone;

subject of making Richmon port for vessels of more than this could be the better accomplished the construction of a ship canal from West Point to Richmond has long been a subject of interest to many of us in Richmond. I agree with Mr Clarke that the canal, as proposed by him, would be better than attemptup the James River, but after study ing Mr. Clarke's plans am con-vinced that neither the James River nor Mr. Clarke's plan would be best adapted for making Richmond a sea

The objections to the canal, as proposed by Mr. Clarke, are as follows Initial cost, operating and mainte-

The objections to the canal, as proposed by Mr. Clarke, are as follows: Jaitial cost, operating and mainty in the proposed ship basin with lock operation and its economic value as a means of transportation.

Taking up the first objection, it would be impossible to estimate the Cost of such a canal and basin with out complete surveys and investigations of all the elements that would enter into the area and the proposed Richmond-West Point Canal would be through the Paramisting to Arabica and James Meliroon to a hospital would enter into the such construction.

It is true that a large part of the proposed Richmond-West Point Canal would be through the Paramisting to Arabica and James Meliroon from the Paramist of Chief of Detectives Hackett here. Southerland, out of the proposed Richmond-West Point Canal would be through the Paramisting to Arabica and James Harbor, Navigatino of Anil, now under construction, to confinct the Mississippi River with Last Point Canal, now under construction, to confinct the Mississippi River with Last Point Canal River River

lematical, but certainly would amount to a very large sum yearly, and, 1 feel certain, would be much greater than any ship tolls that might be collected from vessels.

COSITION TOO EXPENSIVE

To Floot Channel Could Be lit, States Trimble, but it is but Good Practice to Recommend Such Construction."

Well D. Trimble, of R. D. Trimble, with the proposed storage reservoir) for the maintenance of the proposed basin and for the operation of cancil locks, and for the operation of carefully, but from our knowledge of the drainage area of the South Anna River, I seriously doubt whether the run-off of the South Anna River could be depended upon to furnish a sufficient supply of water (even with the proposed storage reservoir) for the maintenance of the proposed basin and for the operation of the South Anna River. I seriously doubt whether the run-off of the South Anna River could be depended upon to furnish a sufficient supply of water (even with the proposed storage reservoir) for the maintenance of the proposed basin and for the operation of an article, such as the proposed storage area of the South Anna River (south the proposed basin and for the operation of carefully, but from our knowledge of the drainage area of the South Anna River (south the proposed storage reservoir) for the maintenance of the proposed basin and for the operation of carefully, but from our knowledge of the drainage area of the South Anna River (south Clarke has considered that question carefully, but from our knowledge of the drainage area of the South Anna River (south Clarke has considered that question carefully, but from our knowledge of the drainage area of the South Anna River (south Clarke has considered that question carefully, but from our knowledge of the drainage area of the South Anna River (south Clarke, has considered that question carefully, but from our knowledge of the drainage area of the South Anna River (south Clarke, has considered that question carefully, but from our knowledge of the drainage area of the South Anna River (south Clarke, has considered that question carefully, but from our knowledge of the drainage area of t

model city. Mr. Trimble, who is also a wortage dairy volume of water in excess of 250,000,000 gailons, with-out considering any supply for the city of Richmond.

From an engineering standpoint there is no question whatsoever but what there is no question whatsoever but there is no question whatsoever but what there is no question whatsoever but there is no question whatsoever but what there is no question whatsoever but there is no question whatsoever but what there is no question whatsoever but there is no question whatsoever but what there is no question whatsoever but there is no question whatsoever but what there is no question whatsoever but there is no question whatsoever but what there is no question whatsoever but there is no question whatsoever but what there is no question whatsoever but there is no question whatsoever but what there is no question whatsoever but there is no question whatsoever but what there is no question whatsoever but while there is no question whatsoever but there is no question whatsoever but while the provide a thirty-foot channel for ships so far as the construction is concerned, but from an engineering standpoint it is not good practice to recommend uneconomical construction. I feel certain that would be the result if a permanent introverse to the city of Richmond.

Mr. Clarke deserves great credit for his studies on the city of Richmond.

Some provide a thirty-foot channel for ships so far as the construction. I feel certain that would be the result if a permanent introverse the provide a thirty-foot channel for ships so far as the

ARRESTED IN PARIS FRIDA

Police Officials Continue Their Inves tigations Into Activities of These Foreigners.

[By Associated Press.] PARIS, Feb. 5.—Six alleged Russian communists were arrested here last night, and it is expected that others will' be taken into custody been sworn out late yesterday. Po-lice officials are continuing their investigation of communists' activities and have reported successful operations at Havre and Nancy.

The authorities at Frankfort have arrested fourteen persons, among leaders of armed organizations, says a Mayence dispatch to the Matin. Newspapers here declare it has been found that communists in France are obtaining American money from some source in Berlin.

MINIATURE ALMANAC, February 6, 1921. HIGH TIDE:

Provide Funds to Guard Liquor.
WASHINGTON, Feb. 5.—An item
for \$200,000 in the sundry civil appropriation bill to pay the cost of guarding liquor, automobiles and other property seized by the government in enforcing prohibition was adopted today by the Senate. The amendment was inserted after Wayne B. Wheeler, Anti-Saloon League coun-sel, had testified that more than 250, 600 gallons of liquor and \$1,000,000 worth of automobiles had been seized.

STONE INVITES 2,000 **GUESTS TO SHOW ROOMS**

Most Elaborate Automobile Estab lishment in South to Be Opened Saturday.

With the completion of the large areade at the front entrance of the Monte Stone, Inc., new sales and show-room located at 1313 West Broad Street, the city has one of the finest and most complete automobile establishments in the Southern States.

ern States.

The formal opening of the building will be held Saturday. For this occasion Mr. Stone, president of the corporation, has invited over 2,000 guests from all sections of the South. Elaborate preparations are being made for the exlebration of the event, some of the plans being extensive decorations of the main room, music by a well-known jazz band, dancing and refreshments. The entire building will also be thrown open for the inspection of the visitors.

lors.

In interior design the new structure has an its keynote the utmost comfort of the firm's customers, as well as its officials and employes.

Incorporated as a part of the large show space is a men's smoking-room, a ladies' rest-room with a maid in censtant attendance a balcony business office and a private office for Mr. Stone, Luxurious furnishings are used both for decoration and for comfort, some of the articles being of fourteenth century design imported from England.

I Careful attention has been given to every detail of the decoration in the show-room to effect a proper display of the cars.

A novel feature of the building

blay of the cars.

A novel feature of the building which not only completes its utility and comfort, but also adds greatly in keeping the sales and mechanical organization in congenfal relationships is a large club-room fitted with a pool table and other recreational features, hot and cold severe baths, handball and basketball courts and full athletic apparatus.

Private rooms and baths are maintained for the negroes employed in the building and shops.

The equipment of the shops and the garage, which occupy the rear of the first and a part of the second dioor is as up-to-date as can be found in any similar establishment. One of the three largest elevators in the country has been installed in the runway to facilitate the movement of high school were hostesses.

machines to the different sections of the building.

Machinery to meet the most exacting needs of repair work, together with a well-steeked supply-room, rendered the service to customers a prompt and efficient matter at all times. A well-trained corps of men is employed in this as in other departments of the concern.

President-Elect Hones to Have

CITY NEWS IN BRIEF

Members of the congregation will be the guests of the women of Park Place Methodist Church at a turkey supper Thursday night in the lecture-room. The committee in charge is composed of Mesdames Roscoe M. White, Edward Alvey, Blair Mat-thews and Miss Nellie D. Spence.

All members of the American Legion. Richmond Post, No. 1, both men and wemen, have been urged to attend a meeting tomorrow night at 8 o'clock in the legion hall. Belviders and Main Streets, at which time the cast for "As You Was," a new musical comedy to be produced by the legion at the Strand Theater some time in March, will be selected. The comedy was written by a Winchester man and has only been produced once.

Special services will be held in the adult class departments in the Sunday school of Pine Street Baptist Church this morning. Revival services have been conducted in the church for the last two weeks and have been largely attended.

A seven days' faith-healing and holiness meeting begins this afternoon at 3:30 o'clock in the West End Mission. 806 West Cary Street. Services will be conducted every afternoon at 3:30 o'clock and each night at 8 o'clock by the Rev. P. R. Nugent, of Richmond. of Richmond.

Dr. J. Dean Crain, former mountain boy and ex-moonshiner, will be the speaker ate a mass meeting for men this afternoon at the Central Y.

NOTICE TO PARENTS!!

Thousands of dollars' worth of our properties are being wantonly destroyed annually by mischievous boys, frequenting on Saturdays and Sundays and evenings the various places where we are building, after our workmen have left the premises, by every conceivable device of vandalism.

We are having signs made to be placed at the different points where our construction is going on—A WARNING—that it is PRIVATE PROPERTY, and TO KEEP OFF. Also the city authorities have been notified, and all persons trespassing or injurying our property will be prosecuted to the full extent of the law. DAVIS BROTHERS, INC.,

MAKES BETTER SPEED

President-Elect Hopes to Have Auother Golf Game Before Reaching St. Augustine.

Ing St. Augustine.

[By Associated Press.]

ORMOND, FLA., Feb. 5.—The houseboat Victoria, with President-Elect Harding and his vacation party on board, anchored tonight near Sebastian after an uneventful day's sailing along the winding Indian River.

No stops were made during the day, and although progress was slow because of the difficult channel, the Victoria encountered no serious obstruction. struction.

Uninterrupted sailing will be the order again tomorrow, and by nightfall the houseboat probably will be within a day's run of St. Augustine, her destination. Late tomorrow or Monday Mr. Harding hopes to go ashore at Daytona or Ormond for a game of golf.

Sure City for Broken Leg. GREENWOOD, S. C., Feb. 5.—Holding the city responsible for a broken surance agent, has filed claim agains dreenwood City Council for \$3,00 when he slipped and fell on a banana

hen ill health or hard times hit you don't lie down-

It is a man who can "come back" that is a man worth while IT IS SAID THAT ABOUT NINETY PER CENT OF MEN FAIL BETWEEN THE AGES OF 35 AND 50 AND VERY FEW EVER "COME BACK."

A good reason for many of these failures is plain. As man approaches middle age THE IRON IN HIS BLOOD IS APT TO THIN OUT and he then lacks the necessary iron in his body to give him the force, strength and vitality; the "IRON-WILL" and "iron determination" to carry him on to success. In his own mind HE ALWAYS THINKS HE IS GOING TO "COME BACK," but he is like a crippled deer that rises up on its four legs after being shot, only to fall back again. EVERY DOCTOR knows the tremendous power of an IRON WILL to pull a patient through a critical illness. With an iron will, it often seems that nothing can kill you. Without it, a patient sometimes speedily collapses and dies from an apparently trivial cause. DON'T TRY TO TO THINKING YOU AR A KEEN 100% IRON MAN WHEN YOU HAVE REA-SON TO SUSPECT THAT YOU ARE NOT. apparently trivial cause. Lack of iron in your blood not only undermines your health and robs you of your

explained in the accompanying article.

take organic iron like Nuxated Iron with them and at the end of that time see for yourself how much more strength, power and endurance you have. Nuxated Iron positively helps entich your blood and put iron into it. It often increases your bodily and mental vigor in two weeks time and quickly helps revitaitize your wornout exhausted nerves. There is nothing like filling your blood with good old iron to give you the courage, strength and force to fight the battles of life. NUXATED IRON to organic iron like the iron 'i odd and not metallic insent iron which people ake.
